Stages 04-06: Credit Appraisal to Sanction

- 04. Credit Desk Appraisal - Underwriter personal discussion, banking cash flow verification
- 05. Technical & Legal Clearance - Physical site inspection and Sub-Registrar 30-year title search
- 06. Formal Sanction Letter - Term sheet issue outlining approved amount, ROI, and conditions

Stages 07-09: Documentation to Fund Release

- 07. Acceptance & Stamp Duty - Signing bank agreements and franking loan contracts
- 08. Mortgage Creation (MODT) - Registering title deposit with the Sub-Registrar and CERSAI
- 09. Disbursement Payout - Funds credited directly to beneficiary account or seller escrow

FINANCIAL ADVISORY PRACTICE

02 - Stage 1 to 3: Preparing the Winning Application

Why proper file preparation is the single biggest factor in obtaining favorable terms.

Underwriting Metric Calibration

- FOIR Optimization: Structuring co-applicants to absorb liabilities and elevate eligibility
- DSCR Balancing: Ensuring commercial debt service coverage ratio remains comfortably above 1.35x
- Banking Conduct Optimization: Explaining internal account transfers to present genuine turnover
- Lender Profile Alignment: Routing files to banks with specific sectoral appetite for your business

FINANCIAL ADVISORY PRACTICE

03 - Stage 4: Navigating the Credit Manager Appraisal

Handling the Personal Discussion (PD) and banking queries with confidence.

Key Elements of the Credit Appraisal

- Personal Discussion (PD) Preparation: Aligning business projections with past revenue records
- Business Workplace Verification: Physical visit by lender risk intelligence agents
- Supplier & Customer Reference Checks: Discrete trade inquiries for large commercial limits
- Credit Committee Notes: Addressing credit policy exceptions with robust mitigating factors

FINANCIAL ADVISORY PRACTICE

04 - Stage 5: Technical Valuation & Legal Title Clearance

Protecting your property title and securing the highest possible valuation.

Valuation & Legal Protocols

- Empanelled Valuer Inspection: Evaluating land value, construction quality, and realizable market price
- Sub-Registrar 30-Year Search: Confirming nil prior encumbrances, litigation, or attachment orders
- Local Body Approvals Check: Verifying Raja Chithi, completion certificates, and building bye-laws
- Title Clearance Certificate: Empanelled bank advocate issuing unconditional legal opinion

FINANCIAL ADVISORY PRACTICE

05 - Stage 6 to 9: From Sanction to Money in Account

Executing loan agreements, registering mortgages, and disbursing funds without friction.

Closing & Payout Execution

- Sanction Condition Clearance: Fulfilling pre-disbursement conditions (PDCs, ECS mandates, margins)
- Loan Agreement Franking: Ensuring correct Gujarat state stamp duty adjudication
- Memorandum of Deposit of Title Deeds (MODT): Formal registration at Sub-Registrar office
- CERSAI Portal Registration: Central registry filing certifying valid institutional charge
- Disbursement Check / RTGS Release: Payout into builder, seller, or company working capital account

FINANCIAL ADVISORY PRACTICE

06 - Eliminating Common Delays

The five pitfalls that derail loan files and how Jyot Enterprise prevents them.

Top 5 Delays & Jyot Preventative Actions

- Incomplete KYC / Name Mismatches -> Resolved during initial file hygiene check on Day 1
- Unregistered Prior Title Deeds -> Traced via Sub-Registrar certified copies before login
- Undisclosed Existing EMIs -> CIBIL reconciled upfront to ensure accurate eligibility calculations
- Debit Bounces on Current Accounts -> Mitigated with formal CA clarification letters
- Valuation Shortfall -> Coordinated with dual empanelled valuers to establish fair market value
